Dear Dick:

Many, many thanks for meeting with the Fifteenth Senior Seminar in Foreign Policy at the end of our "Day at CIA". Your own contribution was a perfect ending to an outstanding day and I have sent Dick Helms a letter praising all those who took part.

As I mentioned, I am planning a session on the role of the military in developing countries and the problems of dealing with military governments. This morning I got Dr. Guy Pauker of RAND to do us a lecture on the subject on Thursday afternoon, March 22 at 3:00 p.m. He told me that RAND has just finished a study of the subject which will soon be released. If you would like to join us, we would be delighted.

With warmest regards,

Sincerely,

*Sam*
